

We're at
War | Part 2

PASTOR IAN WIJNANDS

We're at War Pt. 1

2 Corinthians 10 says that we're to be bold and walk in authority. We can be bold in the Spirit and peaceable in the natural. We should have righteous indignation against the enemy. We walk in the flesh but don't war in the flesh.

We're to war against every high thing that exalts itself against the knowledge of God. Knowledge = Ginosko (intimate.) We need to be at war with anything that comes against us knowing God intimately.

God created the World, Adam is walking in complete authority. What did Satan do? Genesis 3. Satan wants to exalt himself and tear down our intimate relationship with Jesus.

Genesis 3. Adam and Eve are living in complete intimacy with God. Adam didn't wonder if they were hearing from God. There was no shame, even while being naked.

1. Satan's tactic is to question whether we actually heard from God

Satan wants to get in our head and ask us "What makes you think you can actually hear from God?"

2. Satan wants to question whether God has good plans for us

Satan uses bad experiences with Father figures/authority in our lives to try to prove that Jesus doesn't have good plans for us.

3. Genesis 3 Satan wants to tell you that there is more fulfillment outside of God

Satan is exalting himself by calling God a liar. He then gives another answer or option. Vs 6 Satan attacks the flesh, eyes and pride of life. This then takes us out.

They were overwhelmed by shame, so they put on clothes. Satan had exalted himself.

4. Satan wants to overwhelm us with Shame

Matthew 4 says that Satan tempted Jesus. Satan wants to destroy the intimacy between a Father and His children using the same way Eve was deceived, by her eyes, flesh and pride.

2 Corinthians 10. We need to walk in obedience so that we can punish disobedience. Where is victory? In speaking the Word, speak out scripture, claim them over yourself and your problems.

Ephesians 6. Jesus desires intimacy, when was the last time you were in Jesus' bedroom? This is a metaphor for being intimate with Him.

We need to stay in the Spirit, Word and under authority. Trust the Lord with all your heart and lean not on your understanding. Don't let Satan exalt himself and bring you down.

Thank - You
