

**I Will Rely
Completely on
You Lord**

By: Dean Good

Exodus 13:18, 21-22, 14:4

- Sometimes in life, you need to go through a traumatic situation to help you cross over into something else.
- God will sometimes allow a “Red Sea” in your life, don’t freak out!
- Before you can get to Canaan, you need a Red Sea, and a flooding Jordan.
- If you want your ministry to grow, God will give you a Red Sea experience.

My faith is based on who my
God is, not who my leader is.

There are 3 types of Storms...

Personal Storm

- This storm is brought on by a person's own disobedience.

- Luke 15:11-32

- Once the person repents, and turns back to God, there is forgiveness, and restoration, and the storm ceases.

Devil Storm

- This storm is executed by satan. God allows it; however, the devil is the initiator of this storm.
 - The devil means this storm for your destruction.
 - Job 1:8-12
 - God gave satan room to cause this storm.
 - Notice, God is still in control. The devil can only do what God allows him to do, satan is on a leash.
-

God Storm

- This storm is meant for your development.

- Matthew 14:22-31

- In this storm, God will show you more of who he really is.

- This storm is where you will discover what you can do through relying completely on God.

We serve Jesus, not because
we fear him, but because we
Love him.

-Dean Good

During your storm,
where are your
eyes focused? On
Jesus, or your
problems?

Deuteronomy 1:5

- Once you learn the lesson God wanted you to learn, move on! Don't keep repeating it over and over, go use it!
- God has so much more out there for us.
- As you grow, you will need to change the way you think, operate, and relate to people.
- Growth brings change, it's inevitable.

**“Don’t look to
your past ashes,
to build your
future fires.”**

-Dean Good

- God will allow a Red Sea experience in your life, to equip you for when you get to Canaan. It will seem impossible, but don't freak out!

- A Devil storm is meant for your destruction, but a God storm is meant for your development.

- Once you've learned the lesson God has for you, move on!

- Growth brings change, accept it!

Have a great rest of your day!
